

Human Sciences Encounters in Phnom-Penh: Past Presentations: "Omission" in Khmer culture

On Wednesday the 28th of January 2009

Denis Richer

"Omission" in Khmer culture

In Khmer culture, is there any words that relate to "omission"? A yes would mean that there are taboos. What would be those words? How would they be perceived: as "not said"? We will endeavor to answer this by having conversation that provides the opportunity to do so.
