

Human Sciences Encounters in Phnom-Penh: Researchers Profiles: LATINIS Kyle

Kyle Latinis received a PhD in Ecological Anthropology, University of Hawaii in 1999, before obtaining another one in Southeast Asian Studies (National University of Singapore) in 2005. His experience doesn't only rely on an expertise of Cambodia where he is currently based, but also extends to Indonesia, Philippines, Singapore, Vietnam, and the Pacific Islands for almost 20 years in the field.
